

10 Essential Truths for this Time of Urgency

1. There is a soul. It is the higher self of the human being – the true Self. It is consciousness itself.
2. The soul never dies. It evolves through lifetimes of experience.
3. When the human being awakens to the soul, the spiritual path begins.
4. The path of transformation brings the personality into alignment with the soul, and the soul into contact with the Realm of Souls.
5. The Realm of Souls is the 5th kingdom of Earth's life, beyond the human, animal, plant, and mineral kingdoms.
6. Enlightened Beings in the higher realm are making contact with human beings at this momentous turning-point in Earth's evolution.
7. These Beings are working out a Divine Plan for the evolution of life in a higher dimension of Earth.
8. They are seeking to guide humanity through the current planetary transition into an era imbued with light, love and spiritual purpose.
9. The Divine Plan for the new era hinges on the transformation of human beings into spiritual beings willing to serve divine purpose.
10. The new era will be 'the Age of the Soul.' Awakened souls will co-create the new civilization in cooperation with Enlightened Teachers.
